Pavlos Papadopoulos | Front-End Web Developer

GitHub   LinkedIn   +306993751715   E-mail   Thessaloniki, Greece

Front-End Web Developer, with industry experience building websites and web applications. Translate UX / UI designs to actual code. Also, maintain updated knowledge of new trends and technology. Lately, I'm building projects using Next.js on the front and fetching data from a headless CMS. I'm also familiar with Netlify and AWS platforms.

Experience
